

E-Verify is a voluntary program for employers, with limited exceptions. Companies can access E-Verify online and compare an employee's Form I-9 information with over 444 million records in the SSA database, and more than 60 million records in Department of Homeland Security immigration databases.

E-Verify is an essential tool for employers committed to maintaining a legal workforce, and the number of registered employers is growing by over 1,200 per week.

Session times and topics are as follows:
