2011 Junior Fed Beef Career & Leadership Program

June 27 - 29, 2011 ♦ Canyon, TX

Overview

TCFA, in conjunction with the Texas AgriLife Extension Service and West Texas A&M University, will host the 2011 Junior Fed Beef Career and Leadership Program. The program is open to any incoming High School Juniors or Seniors who have an interest in pursuing a career path in feedyard operations and management and the fed beef industry.

This program is designed to educate the participants on feedyard operations and career opportunities in the fed beef industry. Students will participate in operation problem solving and leadership activities. Activities will include tours of commercial cattle feeding operations, a tour of a beef processing facility, the opportunity to learn the anatomy of a beef carcass and fabricate a beef half, and participate in a consumer beef taste panel. Students will also spend a day learning day to day operations of a feedyard and have the opportunity to participate in a job shadow program at a local feedyard following the conclusion of the program.
