Expenses	9
Interest	10
Home section	11

IMPORTANT NOTES

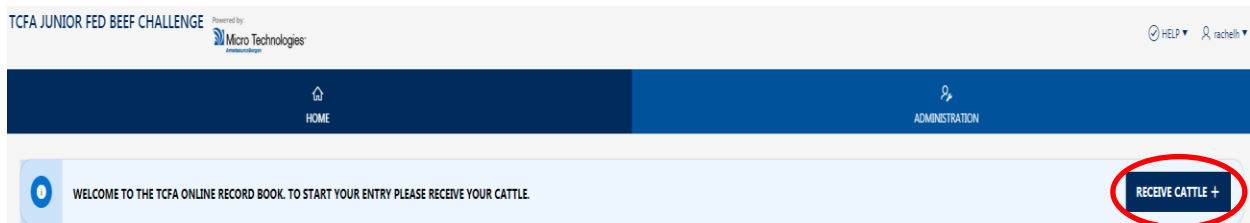

- * Participants will submit record book by 5:00 p.m. on July 16. Also, email close out report to membership@tcfa.org. Print a copy of close out report for your records.
- * Participants will lose record keeping points for incomplete information along with missed deadlines.
- * User manual is not a duplicate of the record book. It is only to be used as a guide. Each record book could look different depending on individual records.
- * Be sure to upload all copies of all records including pictures and feed analysis results.
- * **VERY IMPORTANT – all images, invoices, etc. must be .jpg file and under 5MB.**
- * The digital record book is and will be a learning experience for TCFA along with all participants. Please call (806) 358-3681 or email rachel@tcfa.org or brady@tcfa.org with any issues or concerns you encounter.

Rations Section

Add your rations and save – this information comes from your feed invoice and monthly feed analysis report

Ration Formula

1. Enter ingredients and percentages for starter ration
2. Enter ingredients and percentages for intermediate ration
3. Enter ingredients and percentages for finisher ration
 - If you only used one ration, you will only have one set of ingredients
 - You may add or edit your rations throughout your feeding time frame
 - Upon receiving 3rd feed analysis report, take average of all 3 reports and enter the average of 3 samples in ALL entered rations

Save & Finish

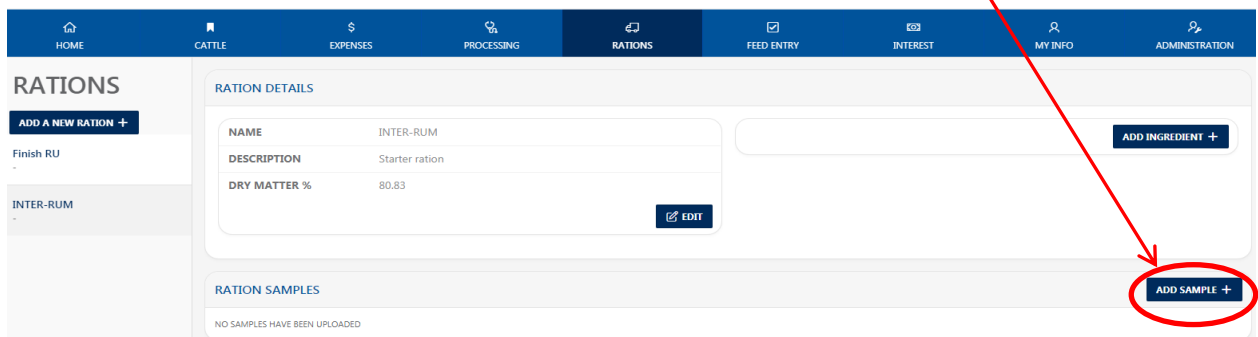

RATION ×

NAME

DESCRIPTION

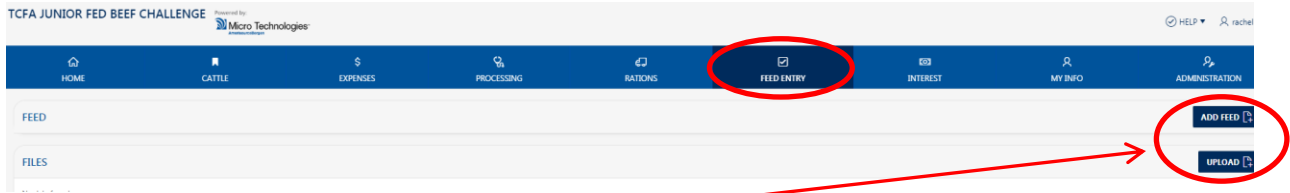

DRY MATTER %

Add monthly ration sample results from feed analysis report for all rations

Upon completion of entering rations go to feed entry section

Feed Entry Section

Add feed & upload invoices

All images must be .jpg file and under 5MB

Select ration type – select from ones you entered in previous section

Enter TONS or FED LBS – this information could come from your feed invoice

Enter either COST/TON or COST/LB

FEED ENTRY ✕
