

Mill Manager

Nortex Feeder is accepting applicants for our mill manager position in Dalhart, TX. Responsibilities will include overseeing all milling operations of our newly completed mill, seeing that the mill is operating as fully and efficiently as possible, training/scheduling other mill staff, and seeing that all scheduled and preventative maintenance for the mill is completed in a timely manner.

Candidates can apply by contacting Trice Connally at 361-571-7177 or in person at the feedyard, 12153 FM 3489, Dalhart, TX.
